MANTELL ROUNDING TO FOR FIGHT
ON THURSDAY NIGHT AT GOLDFIELD

GOLDFIELD, Feb. 11.—Seats for the ten-round boxing contest Thursday night at the Hippodrome theater between Frank Mantell of Sacramento and Bob Graham of Goldfield, champion middleweight of Nevada, are being sold like the proverbial "hot cakes" at the local places of sale. Reports from Tonopah are to the effect that the space in the ringside and parquet division of the theater allotted to the fans of the silver camp is being taken up in rapid fashion. There is every reason to believe that the only tickets that will remain for sale when the doors of the theater open will be those entitling purchasers to seats in the gallery.

GIVEN PERMIT FOR PROJECT ON BIG PINE AND BAKER CREEKS

The state water commission has granted preliminary permits to C. O. Poole, acting for the Southern Sierra Power company, to appropriate 300 second feet of water on Big Pine creek and the same amount on Baker creek. The power company filed an estimate of the cost of the Big Pine project at \$1,300,000. The estimate for Baker creek is \$550,000.

Many notices of intention to appropriate water for power purposes have been received by the commission since the ruling last October. Upon receipt of notices of intention the commission issues a preliminary permit sufficient to enable the applicant to gather data and make surveys required for a formal permit.

The new ruling was made to protect applicants against the necessity of going to heavy expense and making necessary surveys before ascertaining whether their proposed projects are feasible. —Owens Valley Herald.

JAPANESE BUY LAND
